

## *What could the Pilgrims take with them?*

Not much.

Each family could take a Bible box for the family Bible, and a chest for their clothes and other belongings.

Mothers with babies could take a cradle for the baby to sleep in.

Women could bring the things they would need for cooking.

Men could bring their guns, swords, and tools. They brought tools for building houses and tools for working in the garden.

Whatever did not fit in the chest had to be left behind. If you sailed on the *Mayflower*, you would have to leave almost all your toys behind.
